International Staff Training Week

3rd -7th April 2017

Dear Colleagues,

The University of Thessaly kindly invites you to our 2nd Erasmus Staff Week from **the 3rd to the 7th of April 2017** in **Volos, Greece**. We will be happy to host a maximum of 25 participants. We highly encourage the staff interested in visiting the UTH and getting acquainted with the way it is run as a public university to do so within this Erasmus Staff Training Week. Unfortunately, we won't be able to receive staff apart from those in the Erasmus+ Exchange Programme. In the selection process, priority will be given to partner universities.

We consider it an excellent opportunity to share our knowledge and experience in the field of mobility, promote the idea of internationalization and strengthen our international partnerships through meeting in person.

Our staff week has no registration fee. However, participants are expected to cover their own travel and living expenses through the Erasmus fund for staff mobility or otherwise. All participants will be asked to make a short presentation (video, PowerPoint etc.) about their University.

We would appreciate **you forwarding this invitation** to all interested people/units at your Institution who might benefit from this International Staff Week at the University of Thessaly.

Deadline for application: 31st of January 2017

Please send the completed application form to Zeta Barelier, zeta@uth.gr

Confirmation of those selected and non-selected will be sent **to all** participants by e-mail after the 10th of February 2017. Information about accommodation and the final programme will be sent **only to selected participants**.

Should you have any questions, you can contact us at the following:
